### The Tournament – Format, Rules, Handicaps, Tee-Times

#### INDIVIDUAL STABLEFORD FULL HANDICAP – 72 holes (4 rounds)

Each player will play with the 100% of his official handicap. As there are players of different countries the handicap system is the most fair.

Game mode in which each hole has points in relation to the par:

Net Bogey: 1 point

Net Par: 2pts.

Net Birdie: 3pts.

Net Eagle: 4pts.

Net Albatross: 5pts.

DOUBLE BOGEY OR MORE: ZERO Points, marked with an “x, and there is no need of holing the ball on that hole.

The total points for the 4 rounds will be considered to determine the tournament winner.

As an Example: 18 net pars will be a total of 36 points.

Net: the gross score, minus the shot the player has within his handicap and the specific handicap index of each hole.

### **EXAMPLES**

A player with handicap 17 that plays the stroke index 15 hole has 1 stroke on that hole. If it's a par 5 and the player scores a gross of 7, it will be 6 net and 1 point for his Stableford score.

A player with handicap 11 playing the stroke index 13 hole, no shot conceded. If it's a par 3 and the player scores 3 gross, it will be net 3 and 2 points. If the player scores 5 “5 will be 5” in that par 3, it is a net double bogey and 0 points.

### ALWAYS WRITE DOWN THE GROSS SCORE OF EACH HOLE

The scoring online system calculates automatically all the points, it has already all the handicaps and the scorecards established. The Double Bogey scores or more do not have points, there is no need of completing the hole.

No mulligans or gimmes will be allowed; EVERY score allowing points must be with the ball holed.

### RULES

The event will be governed by the rules of the R&A, the only exceptions being those areas where club local rules apply.

The tournament committee (WeGolf) will be the one who has the final word in what corresponds to rules and scoring format.

If a player does not complete the 18 holes for whatever reason, the points earned in the holes played will be taken into account.

LOCAL RULE “HAZARD”: in order to speed up the pace of play and avoiding high scores, the rough will be played as a “lateral Hazard” when there is a lost ball. Lateral hazard rule will apply dropping in the nearest point where ball was lost with 1 penalty stroke.

If due to the inclement weather one or more rounds are suspended, two complete golf rounds will be needed to determine a winner.

### HANDICAP

Each player will need to certify through a printed or on-line certificate its handicap according to the corresponding Golf Association.

The handicaps will be verified within a month in advance of the event (July 2017)

A maximum handicap of 36 is allowed for women and men.

Those players who cannot demonstrate an official handicap will be allowed to play but they will not participate on the tournament.

**CATEGORIES**
